Trinetra on sharing the screen with Roshan in KanKhajura

Mumbai, Imagine being a longtime admirer of an actor, watching their films, studying their craft, and then suddenly finding yourself cast opposite them in a dark, gripping thriller? For Trinetra Haldar, that dream became a reality with KanKhajura, Sony LIV's upcoming psychological drama. Starring alongside the ever-versatile Roshan Mathew, whose work she has followed and admired for years, Trinetra steps into a role that marks both a personal and professional milestone.

Talking about her experience, she said, "When I first found out that Roshan was part of the project, I was genuinely thrilled. I've admired his work for years, especially as someone who loves Malayalam cinema. I've followed his journey closely, so knowing that Aimee would be cast opposite him was exciting in itself."

KanKhajura is a psychological thriller set in Goa, where silence masks secrets and guilt refuses to fade. When two estranged brothers are forced to confront their haunted past, memories twist into a dangerous reality. Produced by Ajay Rai and directed by Chandan Arora, KanKhajura features a compelling ensemble cast including Mahesh Shetty, Mohit Raina, Ninad Kamat, Roshan Mathew, Sarah Jane Dias, Trinetra Haldar, and Usha Nadkarni. Based on the acclaimed Israeli series Magpie, the show has been reimagined under license from yes Studios by creators Adam Bizanski, Omri Shenhar, and Dana Eden, and produced by Donna and Shula Productions.

Arjun makes his Hindi television debut with COLORS' supernatural thriller 'Noyontara'

Mumbai, Renowned for his compelling perfor-

mances in Bengali cinema and television, Arjun Chakraborty is poised to captivate Hindi TV audiences with his debut on COLORS' upcoming supernatural thriller 'Noyontara' as Dr. Shurjo. The show follows the story of 23-year-old Noyontara (played by Shruti Bhist), who acts as a bridge between the living and the dead. Gifted with the ability to see spirits, she helps them heal their pain and fulfill their unaccomplished wishes.

A brilliant, rational-minded physician Shurjo finds himself caught in a mystical world he doesn't believe in. Married to Noyontara out of compulsion rather than love, Surjo is emotionally withdrawn and still recovering with guilt over the death of his former fiancee. Unaware that his biological mother is dead long back, and that her spirit is trying to protect him through Noyontara, Surjo becomes an unwilling participant in a supernatural web that threatens his very life. He must navigate a loveless marriage and confront truths that have been hidden from him.

Arjun shares his excitement of portraying the character of Dr Shurjo in COLORS' 'Noyontara' and says, "I've been fortunate to build a strong foundation in the Bengali industry and stepping into Hindi television felt like a big leap, and I wanted it to be for something special, worthwhile. Making my Hindi TV debut with COLORS feels like it was worth every bit of that wait. Noyontara is unlike anything I've done before. My character Dr. Shurjo, is a rational and logical man, someone who lives by science and reason, but suddenly, he finds himself surrounded by things that defy everything he's ever believed. His long-held ideas of reality are tested in ways he never imagined. He clings to what he knows, resists what he can't explain, and that stubbornness, that refusal to accept the supernatural, is what makes him so compelling to me as an actor. "

India remains most trusted partner globally towards sustainable future: Minister

New Delhi, May 30 (IANS) In a world characterised by geopolitical uncertainties, India remains the most trusted partner globally and this trust is attributed to political stability, visionary leadership, cultural values and unwavering commitment to a sustainable future, Union Minister for Environment, Forest and Climate Change, Bhupender Yadav, has stressed. Addressing the CII 'Annual Business Summit 2025' in the national capital, the minister outlined India's climate policy architecture, focusing on three key drivers."India is transitioning from a linear to a circular economy model, aiming to reduce waste and enhance resource efficiency. The government has introduced Extended Producer Responsibility (EPR) guidelines for various sectors, including tyres, batteries, plastics, and e-waste, to promote recycling and sustainable consumption," he told the gathering.Between 2022 and 2024, the recycling sector attracted investments totalling Rs 10,000 crore, reflecting industry commitment to sustainable practices. The circular economy sector is projected to be worth $2 trillion by 2050, creating approximately 10 million jobs.Under the leadership of Prime Minister Narendra Modi, India has launched Mission LiFE and nationwide campaign 'Ek Ped Maa Ke Naam', a community-driven initiative aimed at environmental conservation.

SEBI bars actor Arshad Warsi, wife and 57 others from markets for up to 5 years

Mumbai, May 30 (IANS) Markets regulator the Securities and Exchange Board of India (SEBI) on Thursday barred Bollywood actor Arshad Warsi, his wife Maria Goretti, and 57 others from the securities markets for periods ranging from 1-5 years.

The regulator imposed a fine of Rs 5 lakh each on Warsi and his wife, Maria. The decision came in a case related to misleading videos on YouTube channels recommending investors to buy shares of Sadhana Broadcast. SEBI found that Arshad Warsi had made a profit of Rs 41.70 lakh and his wife earned a profit of Rs 50.35 lakh. "It is noted that Arshad Hussain Warsi in his statement recorded before SEBI on June 27, 2023, stated that apart from placing trades in his own account, he was also trading from the accounts of his wife (Noticee 61) and brother (Noticee 62). It is further noted from the submissions of Noticee 60 that Aahuti Mistry acted as the manager of Arshad Warsi," according to the SEBI order. SEBI also levied penalties in the range of Rs 5 lakh to Rs 5 crore on 57 other entities, including promoters of Sadhana Broadcast (now Crystal Business System Ltd). Apart from the debarment, SEBI also directed these entities to disgorge total unlawful gains of Rs 58.01 crore along with 12% interest per annum from the end of the investigation period till the date of actual payment.
